

Together, let's turn memories into something that grows.

Whether it's a memorial for someone dearly missed, a celebration of a birth or milestone, or simply a gesture of hope, each tree becomes part of a lasting legacy.

Honor a Loved One, Grow Our Future by investing in our future Food Forest.

Imagine a living tribute that thrives year after year—a tree planted in memory or celebration of someone special. We're inviting all citizens of our community to take part in a heartfelt initiative: sponsor the planting of a tree in honor of a loved one. While we build our food forest, we would like to give you the opportunity to become a part of our city's growth. Please consider sponsoring a tree for \$100. We have 12 spots currently open for sponsorship.

Why Sponsor a Tree?

- 🌱 Symbolize love, remembrance, and renewal
- 🌍 Contribute to a greener, healthier environment
- 🌳 Beautify our local parks and public spaces
- 📬 Receive a personalized plaque on the tree you sponsor with your own message

How to Participate

1. Submit your sponsorship form via email or at City Hall.
2. Attend the planting ceremony to see your tree take root.
3. Receive a personalized plaque on your tree as a lasting tribute.
